NORTHERN ROCKIES REGIONAL RECREATION CENTRE

SUB-CONTRACTOR PREQUALIFICATION

Bird Construction Company invites submissions for prequalification of the following Trade-contractors for the Northern Rockies Regional Recreation Centre project.

- **STEEL STUD/DRYWALL**
- **MILLWORK**
- **GLAZING**
- **ROOFING**
- **ICE ARENA CONCRETE FLOOR**
- **INSULATED METAL PANEL(CLADDING)**
- **KITCHEN EQUIPMENT**
- **MECHANICAL**
- **ELECTRICAL**

The project involves construction of a new Community Hall and Ice Arena. Approximate size of the project is 10,000 square meters. The project is located in Fort Nelson, B.C. The tender for this work will be conducted in October and November of 2009.

This Project is subject to approval by the federal-provincial governments under the Building Canada Fund – Communities Component (BCF-CC) and that the project will not proceed (e.g.: no tender awarded) until final approval is given by the BCF-CC Oversight Committee.

Trade-contractors who have relevant experience with projects of a similar size and nature are invited to submit a completed CCDC 11 contractor pre-qualification document. In addition, the following information is required:

- Current and past experience on projects of similar size and complexity.
- List of key site and office personnel that will be assigned to this project.
- List of references.
- Indicate present workload and availability of manpower necessary to staff this project.
- Provide a letter from a recognized Surety Company verifying the availability of bonding required for this project.
- WCB clearance letter.

The submissions will be evaluated at the discretion of Bird Construction Company and based upon the information provided in the CCDC-11 document, availability of bonding, relevant experience, and the availability of manpower. Trade-contractors will be short listed to 4 bidders for each discipline. Selection will be based on compliance with the above criteria and will be invited to tender this project in October and November 2009.

Submissions will be received via courier, mail, or fax until 2:00 PM October 16, 2009 at the offices of Bird Construction Company, 220-21320 Gordon Way, Richmond, BC, V6W 1J8.

Questions regarding the pre-qualification should be directed to Lee Cavazzi, Project Manager, Bird Construction Company, telephone (604) 271-4600.
