**Request for Quote – Addendum #2 - Revised October 13, 2009  
Loading, Hauling and Disposal of Material to Regional Landfill**

The Northern Rockies Regional Municipality (NRRM) will be accepting quotes from those companies interested in removing approximately 4950 cubic meters of material from the Northern Rockies Regional Recreation Centre (NRRRC) to the Regional Landfill, located at the end of 55<sup>th</sup> Street, approximately 3 kilometers from the site.

Quotes shall include loading, hauling and disposal of material at the Regional Landfill, and shall be submitted in a:

- LUMP SUM PRICE to remove the total quantity (estimate 4950 cubic meters)
- and include a rate to add/delete cubic meters that may or may not need to go to the Regional Landfill

Interested parties are also asked to identify when they are able to start and complete the work by.

**SUBMISSIONS**

Quotes can be hand delivered at the following address:

Northern Rockies Regional Municipality – Fort Nelson  
Attention: Corporate Manager  
5319 50<sup>th</sup> Avenue South  
FORT NELSON, BC V0C 1R0

in a **sealed envelope, clearly marked “NRRRC Materials Disposal”**, or

Faxed to the Fort Nelson Notary Public at 250-774-2259 with instructions to place your submission in a **sealed envelope, clearly marked “NRRRC Materials Disposal”**.

All submissions must be received by 12 noon, local time, on Wednesday, October 14, 2009.

The NRRM reserves the right to reject any or all Quotes, including without limitation the lowest Quote, and to award the work to whomever the NRRM in its sole and absolute discretion deems appropriate. Without limiting the generality of the foregoing, the NRRM reserves the right, in its sole and absolute discretion, to accept or reject any Quote which in the view of the NRRM is incomplete, obscure, or irregular.

## **ADDENDUM #1**

### **Request for Quote Loading, Hauling and Disposal of Material to Regional Landfill**

Date: October 09, 2009

#### **GENERAL INFORMATION ABOUT THE WORK**

- The material to be disposed of at the Regional Landfill will not be weighed
- A control unit will be supplied to allow the contractor to haul beyond the weight scale hours
- Equipment (Cat) will be supplied at the landfill by the NRRM to spread the material as required

## **ADDENDUM #2**

### **Request for Quote Loading, Hauling and Disposal of Material to Regional Landfill**

Date: October 13, 2009

#### **GENERAL INFORMATION ABOUT THE WORK**

1. A Cat will be leveling the loads at the landfill site on an as needed basis. There is ample room for stockpiling and maneuvering.
2. There are no obstacles that would prevent access to or from the site landfill site.
