

**FORT NELSON FORESTRY ROUNDTABLE  
(Committee of the Northern Rockies Regional Municipality)  
REQUEST FOR PROPOSALS  
JOB OPPORTUNITIES PROGRAM**

The Northern Rockies Regional Municipality (NRRM) is accepting proposals for the maintenance and upgrade of the Fort Nelson Snowmobile Trails, the Fort Nelson Demonstration Forest and Parker Lake.

This project was initiated by the Fort Nelson Forestry Roundtable and is funded by the Community Development Trust Job Opportunities Program (JOP). JOP is designed to provide short-term employment for unemployed forest workers while completing local forest-management type work.

The intent of this Request for Proposal (RFP) is to secure a qualified and experienced individual or company that has faced economic challenges due to the downturn in the local forest industry for a 22 week period (110 days) to facilitate the Fort Nelson Demonstration Forest, Snowmobile Trail and Parker Lake maintenance and upgrade. Project is scheduled to begin in May 2009 and finish October 2009.

For more information on the project deliverables see the Request for Proposal Document on the NRRM website at [www.northernrockies.ca](http://www.northernrockies.ca) or by contacting:
