

Mr. Wayne Wheeler

Fort Nelson B.C. VOC 1R0

Dear Mr. Wheeler,

**Re: Opportunity to Discuss the Fort Nelson Community Proposal**

This letter is to provide an additional information sharing opportunity regarding the proposed Community Forest based on a partnership between the Northern Rockies Regional Municipality (NRRM) and the Fort Nelson First Nation (FNFN). The Partners are in the process of finalizing a Community Forest Agreement (CFA) application and want to obtain information from stakeholders regarding their values and interests, and how these may be affected by the proposed development of the Community Forest.

As depicted in the attached map, the Community Forest is in the identified forested environs generally within 100 kilometres of Fort Nelson. Since your tenure lies within the boundaries of the proposed Community Forest you are encouraged to provide your thoughts and concerns. This information will be considered when finalizing the application, and when planning future activities such as harvesting, road building, log hauling, silviculture, etc.

A Community Open House / Forum will be held on Thursday, May 17<sup>th</sup>, from 6:00 PM to 8:00 PM at the Phoenix Theatre, 5319 50<sup>th</sup> Avenue South, Fort Nelson, to discuss the Community Forest proposal. We invite you to attend and learn more about this exciting proposal.

In the meantime, should you have any questions or concerns regarding the information provided, or would like to arrange a personal meeting to discuss this proposal further, please contact Doug Tofte, Community Resource and Planning Officer at 250-774-2541 (Ext. 2044), or by email at [dtofte@northernrockies.ca](mailto:dtofte@northernrockies.ca). You can also find a copy of the draft management plan posted at <http://www.northernrockies.ca>.

The CFA Partners would like to emphasize that there will be ongoing opportunities to provide input regarding the management and operation of the Community Forest. For example, after the tenure has been issued a Forest Stewardship Plan will need to be prepared, and the Partners will seek public input on this plan. In addition, the Partners commit to providing regular community updates as operations proceed.

We look forward to hearing from you as we move forward with developing our proposed project. To ensure consideration of your interests, please forward any comments you have in writing by July 1<sup>st</sup>, 2018.

Mr. Cliff Wright

Fort Nelson B.C. VOC 1R0

Dear Mr. Wright,

**Re: Opportunity to Discuss the Fort Nelson Community Proposal**

This letter is to provide an additional information sharing opportunity regarding the proposed Community Forest based on a partnership between the Northern Rockies Regional Municipality (NRRM) and the Fort Nelson First Nation (FNFN). The Partners are in the process of finalizing a Community Forest Agreement (CFA) application and want to obtain information from stakeholders regarding their values and interests, and how these may be affected by the proposed development of the Community Forest.

Dear Mr. Wells,

**Re: Opportunity to Discuss the Fort Nelson Community Proposal**

This letter is to provide an additional information sharing opportunity regarding the proposed Community Forest based on a partnership between the Northern Rockies Regional Municipality (NRRM) and the Fort Nelson First Nation (FNFN). The Partners are in the process of finalizing a Community Forest Agreement (CFA) application and want to obtain information from stakeholders regarding their values and interests, and how these may be affected by the proposed development of the Community Forest.

As depicted in the attached map, the Community Forest is in the identified forested environs generally within 100 kilometres of Fort Nelson. Since your tenure lies within the boundaries of the proposed Community Forest you are encouraged to provide your thoughts and concerns. This information will be considered when finalizing the application, and when planning future activities such as harvesting, road building, log hauling, silviculture, etc.

A Community Open House / Forum will be held on Thursday, May 17<sup>th</sup>, from 6:00 PM to 8:00 PM at the Phoenix Theatre, 5319 50<sup>th</sup> Avenue South, Fort Nelson, to discuss the Community Forest proposal. We invite you to attend and learn more about this exciting proposal.

In the meantime, should you have any questions or concerns regarding the information provided, or would like to arrange a personal meeting to discuss this proposal further, please contact Doug Tofte, Community Resource and Planning Officer at 250-774-2541 (Ext. 2044), or by email at [dtofte@northernrockies.ca](mailto:dtofte@northernrockies.ca). You can also find a copy of the draft management plan posted at <http://www.northernrockies.ca>.

The CFA Partners would like to emphasize that there will be ongoing opportunities to provide input regarding the management and operation of the Community Forest. For example, after the tenure has been issued a Forest Stewardship Plan will need to be prepared, and the Partners will seek public input on this plan. In addition, the Partners commit to providing regular community updates as operations proceed.

We look forward to hearing from you as we move forward with developing our proposed project. To ensure consideration of your interests, please forward any comments you have in writing by July 1<sup>st</sup>, 2018.

Mr. Martin Wells

Fort Nelson B.C. VOC 1R0
