

Utility Maintenance – Recreation Arena/Parks (Full-time Term) (Posting #2018-23)

Reporting to the Director of Recreation or designate, this employee performs diversified work related to the maintenance and operation of all recreation facilities and works in accordance with established practices and procedures. Work will be of a semi-skilled, technical nature. Duties will include but are not limited to:

- Making and maintaining ice surfaces to required standards, and operating all ice resurfacing and associated equipment;
- Operating and maintaining mechanical systems and equipment at all recreation facilities;
- Performing a variety of building and equipment maintenance tasks;
- Transporting materials, tools and equipment to and from work sites;
- Maintaining parks, playgrounds and cemetery areas;
- Performing janitorial duties; and
- Assisting with set up and take down for community events occurring at Regional Municipal facilities.

Qualifications/Knowledge/Skills/Abilities

- Completion of Grade 12 and BC Refrigeration Operator Certificate (or higher), or a combination of education and relevant experience; a valid BC Class 5 Drivers License.
- Applicants should have the physical ability to do a variety of work involving bending, lifting, and moving of heavy and light objects.
- Certificate in Ice Maker, Pool Operations, or Building Service Worker or Ice Facility Operator would be considered an asset.
- This position is considered a position of trust within the Municipality and the successful applicant must successfully pass a Police Information Check.

Status/Hours/Shifts

Full-time Term (4 to 6 months); shift work (including evenings and weekends will be required)

Rate

Utility Maintenance (Recreation): \$29.64 - \$31.04 per hour as per the collective agreement.
(Note: 90% probationary rate may be applicable dependent upon applicant's current status)

NORTHERN ROCKIES REGIONAL MUNICIPALITY

Job Description UTILITY MAINTENANCE (Arena/Park Operator)

Description

Reporting to the Director of Recreation or designate, this employee performs diversified work related to the maintenance and operation of all recreation facilities, and works in accordance with established practices and procedures established. Work will be of a semi-skilled, technical nature.

Essential Functions

- Make and maintain ice surfaces to required standards, and operate all ice resurfacing and associated equipment
- Operate and maintain mechanical systems and equipment at all recreation facilities
- Perform a variety of building and equipment maintenance tasks
- Assist with Aquatic maintenance and operation; including: lighting, filtration, sanitation, water testing, and janitorial tasks
- Transport materials, tools and equipment to and from work sites
- Maintain parks, playgrounds and cemetery areas
- Perform janitorial duties
- Assist with set up and take down for community events occurring at Municipal Facilities
- Fuel cars, trucks and equipment
- Ensure that all work performed is in accordance with safety standards set forth in Worksafe BC's occupational health & safety manual and that pursuant to regulations are adhered to including the use of PPE.
- Demonstrate continuous effort to improve operations, streamline work processes and work cooperatively towards an efficient and effective work environment

NOTE:

The duties listed are not set forth for the purpose of limiting the assignment of work and are not to be construed as a complete list of the duties normally to be performed under a job title or those duties temporarily performed outside the normal line of work.

Required Knowledge, Skills and Abilities

Knowledge of:

- tools, equipment, procedures, principles and methods used in icemaking, refrigeration and building and equipment maintenance; and
- municipal public works and recreation equipment & operations

Ability to:

- do physical work involving bending lifting and moving of heavy or light objects;
- work in a variety of weather conditions with exposure to the elements;
- learn job-related material primarily through oral instruction and observation;
- read, understand and interpret plans and specifications;
- follow oral or written instructions and procedures;
- work cooperatively with other Municipal employees and the public;
- multitask to meet priorities and deadlines; and
- complete duties in a safe manner, following established safety rules and regulations.

Education, Qualifications, Licenses and Certificates

- Completion of grade 12 education and BC Refrigeration Operator Certificate, or a combination of education and relevant experience
- A valid BC Class 5 Drivers License
- Arena Ice Maker, Pool Operator I & II, Building Service Worker, or Ice Facility Operator certifications would be considered an asset
