

## INVITATION TO TENDER Construction of Airport Pump Station and Reservoir Upgrades

The Northern Rockies Regional Municipality (NRRM) invites Tenders for the construction of the Airport Pump Station and Reservoir Upgrades. The work is located at the Northern Rockies Regional Airport in Fort Nelson, BC. The pump station is located on Piper Road, south of Cessna Way.

The work consisting of:

- Construction of mechanical and electrical upgrades to the existing Airport Pump Station;
- Upgrades include the addition of a standby generator set within a repurposed building;
- Installation of buried electrical conduits, replacement/addition of electrical panels and components;
- Removal of an existing diesel driver, vertical turbine pump and related components; and
- Installation of process piping and valves, and in-reservoir piping modifications.

Tender documents may be obtained from BC Bid and may be viewed at the Northern Rockies Regional Municipality office at 5319 – 50<sup>th</sup> Avenue South, Fort Nelson, BC.

Pre-Tender Site Meeting (Optional): July 16, 2018 at 2:30 pm @ NRRM Bear Pit

Tender closing: July 26, 2018 at 2:00 pm
