Spring has sprung, and it is the time of year that everyone is busy cleaning up their yards in preparation for summer.

This clean-up often involves burning yard waste and grass. Please remember that, in order to burn any debris outside of a fire pit, an approved Burn Permit must be obtained from the Fire Department and all BC Burning Regulations must be followed.

You can access Burning Regulations at <https://www2.gov.bc.ca/gov/content/environment/air-land-water/air/air-pollution/smoke-burning/regulations/openburningregulation>.
