This Week in Recreation

We are now offering additional public swim and skate times on Sundays and statutory holidays. The most recent Public Health Order has led to changes in our operations that we are still accommodating—please follow the [Northern Rockies Regional Recreation Facebook page](#) for the latest program updates. A reminder that masks are now MANDATORY in all indoor public spaces in BC.

Thank you for your patience while we navigate the additional regulatory requirements. Let us know what you think at [250.774.2541 ext. 1](tel:250.774.2541) or email us at rec@northernrockies.ca or take our [Survey](#).
