Kick it to the Curb

Sat. May 22-Mon. May 24

To kick start Fort Nelson's annual Spring Fling the NRRM is encouraging people to place any unwanted (but still in good condition) items on the curb outside their house marked "FREE."

All of these items will be for the taking, so shop around the town! Let's keep precious materials from entering our landfill. Remember, one person's trash is another person's treasure!

To have items that don't get claimed picked up, call Public Works 250.774.2541 ext. 2090

Curbside Pick-Up

May 25 - 28, 2021

Contact Public Works prior to hauling your bulky items to the curb. Restrictions apply, and this service is for the benefit of those that are unable to take advantage of Free Week at the Landfill. Public Works will not pick up items if you have not gone through the screening process and qualified for this service.

Ineligible items: vehicle hulks, large demolition projects (i.e. sheds or decks) or garbage bags, and unacceptable waste.
