### Ice User Rules

**All of the following are unsupervised ice-times and are for use free of charge and at your own risk.**

These ice-times are for all skill levels so please be mindful of other skaters and the facility rules. Skates are MANDATORY for all ages and CSA certified helmets are MANDATORY for children under 8 and highly recommended for all skaters.

#### Open For Rent

This time is available for any use (skating, hockey, parties etc.). For details on how to rent the ice or to request a booking, please call 250-774-2541 ext 2080. The open times on the Primary Arena are available for public skate should there be no rental.

#### Shinny

Shinny is an informal type of hockey played on ice. There are no formal rules or specific positions, and generally, there are no goaltenders. Bodychecking and lifting or "roofing/reefing/raising the puck" (shooting the puck or ball so it rises above the ice) are forbidden because the players are not wearing protective equipment. Skates and CSA certified helmets are MANDATORY for all ages and full hockey gear is highly recommended. Monitored Shinny times will be supervised by a staff member.

#### Family Puck & Stick

This time is designed for parents to teach their children how to skate with a stick and puck. There will be no nets on the ice and no organized games can occur. This is simply a family skate when sticks and pucks are permitted. Lifting is forbidden.

#### Family Skate

This ice-time is for family use only. Please be respectful of young children. Also no spins, jumps, sticks or pucks permitted during these ice-times.

#### Public Skate

This ice-time is for leisure use only. No spins, jumps, sticks or pucks permitted during these ice-times.

**\*Schedules are subject to change, check Facebook or call front desk for up to date information.**
