

Facility Use: Health Notice

The Northern Rockies Regional Municipality cares about your health!

Before going swimming or participating in our programs, ask yourself these questions. If you answer yes, you may not be permitted to swim/participate (so speak to an employee):

Do you have any open cuts, lesions or sores?

Do you have any warts (common or plantar)?

Do you have lice or nits?

Do you have a head cold and/or discharge from the ears, eyes, nose or mouth?

Do you have any other contagious skin condition or virus/"bug"?

According to the BC Guidelines for Safe Operations of Swimming Pools and the NRRM health & safety policy, patrons with any of the above listed health concerns are not permitted to use the pool and may not be able to participate in programs. We want to ensure that all of our patrons are safe and healthy, so if you answered "yes" to any of the above questions please let us know and we will issue you a refund/suspend your membership until you are able to return.

Things to note!

We have rules set in place to ensure that everyone stays happy & healthy, so please read these before playing in an open-use space or participating in any of our programs:

- Socks are required in the PlaySpace but we recommend them everywhere! Whenever possible, wear socks or shoes in any common areas (fitness classes, KidZone, showers/changerooms, programs etc.).
- If you are climbing in the Indoor Climb Centre or lifting weights/sharing equipment, wear gloves if possible.
- Always notify staff/instructors/leaders of any health concerns you have or notice. Remember, staff will handle all concerns with the utmost sensitivity and we will ALWAYS issue a full refund/suspend memberships with a doctor's note stating that you cannot participate.
