

# About the Program

Through the Memorial Dedication Program the NRRM provides the opportunity for individuals or groups to make donations towards enhancing the NRRM owned public spaces through a Memorial Dedication. You can provide a unique dedication by placing a plaque in front of a tree, or placing a bench or a picnic table in one of the beautiful locations available in the Northern Rockies parks and trails. This dedication provides a lasting remembrance in honour of a loved one and contributes to the beautification of the Municipality.

Your generous donation will be recognized and appreciated by the people of all ages who visit our parks and trails.

The Northern Rockies Regional Municipality would like to thank you for considering this heartfelt gift.

# Dedication Types

## Bench or Picnic Table with Engraved Plaque:

The NRRM staff will assist in the style selection of bench or picnic table based on location and availability.

## Trees:

Trees can be planted in the NRRM Community Forest or in other park and trail sites, with a plaque placed in front of the tree. The species of tree to be planted shall not be fruit-bearing, native tree species are encouraged, however alternative tree species that are appropriate to the climate and geographic setting may be allowed. A list of appropriate tree species is available from the NRRM. The donator will purchase the tree however it will be planted and maintained by the municipality.

## Plaques:

Plaques will be of standard form and size and the inscriptions must be approved by the NRRM upon time of application.
